

Project name : **MAHLE ENGINE SYSTEMS- BLOCK 6**

"The contract entailed the full strip-out and refurbishment of the former industrial workshop area to provide mixture of Office space, lockers, canteen and updated workshop space. Worksmart established themselves as a key partner in the project team from the outset with valuable contributions to keep the project costs within the client's limitations. Dedicated, Professional and Conscientious"

Stephen Kerr  
Wylie Shanks Architects

## Thinking Inside & Outside the box
